

CCB Inc. Announces New Special Pricing for Nonprofits on VMware

Racine, WI — February 10, 2010 — CCB, Inc. announced today that VMware, a leader in cloud computing, is now offering a special pricing program for nonprofit organizations. The new program enables qualifying nonprofits to gain easy access to cutting-edge virtualization technology and resources at significantly discounted prices.

“This is a great opportunity for our customers to take advantage of VMware’s virtualization solutions, from the desktop to the cloud, with special savings now available,” said Chris Booth, CEO of CCB, Inc. “We are excited to have VMware as a partner in offering the Nonprofit Community these special discounts.”

The program applies to religious, charitable, scientific, literary, educational, and specified health care and service organizations. A detailed eligibility requirements worksheet is available at www.ccbnonprofits.com/docs/vmware_nonprofit_eligibility.pdf. You may also contact a CCB sales rep to discuss qualifications under the new program at 1-800-342-4222.

About VMWare:

VMware, an EMC company (NYSE: EMC), is the global leader in virtual infrastructure software for industry-standard systems. The world's largest companies use VMware solutions to simplify their IT, fully leverage their existing computing investments and respond faster to changing business demands. VMware is based in Palo Alto, California.
